Dear Hiring Team,

I hope this message finds you well.

I am currently pursuing a B.Sc. in Mathematics at M.O.P. Vaishnav College for Women, Chennai. I am writing to express my interest in working at your esteemed organization.

With a strong foundation in analytical thinking and quantitative problem-solving, I am proficient in Python, R, C, Microsoft Office tools, Google Workspace, Power BI, and Tally Prime. I have also completed certification courses in Project Management, Data Science for Engineers, Excelling with Mathematical Modelling, and Statistical Foundation for Big Data Analysis through NPTEL.

I have gained practical experience through multiple internships across diverse domains. During my internship at Chennai Metro Rail Limited, I was involved in survey administration, data collection, and public interaction. At the University of Madras, I worked on data management, documentation, and record organization. As an Accounting Intern at Prananya Developers, I assisted with accounting processes, inventory management, and financial record maintenance using Tally Prime. Additionally, as a Content Writer Intern at InAmigos Foundation, I contributed content for social impact initiatives and developed my communication and content creation skills.

These experiences have strengthened my attention to detail, organizational abilities, communication skills, and adaptability in professional environments.

I am eager to gain further practical exposure and contribute meaningfully to your organization while continuing to develop my technical and professional skills. I am confident that my dedication, willingness to learn, and strong work ethic will enable me to make a positive contribution.

I would be grateful for the opportunity to be associated with your organization and look forward to your positive response.

Thank you for your time and consideration !

Best Regards

Sri Lakshmi P
